### **Corrections to all four *It's Your Choice* booklets:**

- On page D-2, *Changes to Uniform Benefits*, the table states that the **2005** Emergency Room copay is \$50. It is currently \$40 (but will increase to \$60 in 2006).
- The "Hospitals in County" list on the *Plan Description Page* for CompCareBlue Southeast (Section G), Kenosha County, should include St. Catherine's and Kenosha Hospital. They are in-plan providers.
- The *Plan Description Page* for Humana Eastern (Section G), dental benefits information, lists an incorrect Internet site address. It should read <http://www.humanadental.com>. Also, some members are having trouble connecting to Humana Eastern and Humana Western's online provider directory. You may also use <http://www.humana.com> to locate in-network providers.
- The *Plan Description Page* for UnitedHealthCare Southeast (Section G) should list Racine County providers; this plan is qualified in this county.
- On the *How to Contact the Health Plans* page (inside back cover), the WPS Prevea Health Plan Internet mail address should read <http://wpspreveahealthplan.com>.

### **Corrections to the State Employee (ET-2107) and Graduate Assistant (ET-2127) booklets only:**

- On the *Notable Plan and Program Changes* (pages i and ii), we direct employees to send health insurance application forms to the Department of Employee Trust Funds. **THIS IS INCORRECT.** Employees must give their forms to their benefits/payroll/human resources office.
- See the portion of the *Health Plan Options and Tiering By County* Chart on page A-11 that refers to Sheboygan County. **UnitedHealthCare NE** is a health plan option for that county; UnitedHealthCare SE is not. The map on page A-5 is correct.
- The *Plan Description Page* for the State Maintenance Plan (SMP) (Section G) under Marathon County, should include Marshfield providers under the heading of Major Providers in County.

### **Corrections to the Annuitant/Continuant booklet (ET-2108) only:**

- See the grid that explains map codes on page A-2. CompCareBlue Southeast should be noted as CS (not NS) and Dean Health Plan should be noted as D (not C). The map on page A-3 is correct.
- See the “additional information for persons on Medicare” box at the bottom of the rate table on page A-4. Members interested in Medicare Plus \$1,000,000 information should see pages G-56 and G-57.
- See the sentence at the bottom of page C-18 (which continues to page C-19). It should read, “If the surviving dependents terminate coverage for any reason they may not re-enroll later.”
- The *Plan Description Page* for the State Maintenance Plan (SMP) (page G-39) under Marathon County, should include Marshfield providers under the heading of Major Providers in County.
- Page G-54 is a duplicate of page G-48. Please disregard.

**Corrections to the Wisconsin Public Employers’ booklet (ET-2128) only:**

- See the grid that explains map codes on page A-2. CompCareBlue Southeast should be noted as CS (not NS) and Dean Health Plan should be noted as D (not C). The map on page A-3 is correct.
- Following Section D, Uniform Benefits, there are five blank sheets. These pages, between D-48 and E-1, were intentionally left blank. No material is missing from the booklet.
- Page G-50 is a duplicate of page G-44. Please disregard.
